

Shed News

28 December 2011

Welcome to the first issue of Shed News.....

Membership

Membership is growing. We now have 29 Individual members and 2 Business members. The committee encourages all members to try and sign up other prospective men to join. Lets be proactive in spreading the word.

Donations

Funds — We have received a number of donations also; and to those people the grateful thanks of the committee are extended.

Equipment — A number of people have come forward with expressions of interest in donating equipment and tools which we are also grateful for, all of these will be collected after we have a Shed.

Publicity

Attached is the latest version of our Brochure and Membership Form. Please print off copies (or email) and give to prospective members as you speak with them. Paul L'Huillier (Treasurer) and Bruce Brereton (Secretary) have distributed Brochures around Mount Beauty in an attempt to grow our membership.

Alpine Shire

Early in the new year we hope to have a reply from the Alpine Shire re our request for a site near the Radio Station. We requested that area as it is very central and not likely to disturb neighbours. It would involve demolition work to clear the site and could be a good first project for our group.

Social Happenings

The regular BBQ on the 3rd Friday of the month at the Shelter Shed adjacent to Team Mount Beauty track on Bogong High Plains Road has had regular attendees with 33 in November and 26 in December. The next BBQ will be held on the 20th of January at 12 noon. Please come along and support the event. Thanks to Dick Puttyfoot for his initiative in organising these events.

Committee Meetings

The committee will hold its next meeting at 9am on 20th January 2012. If you have any matter that you would like raised please contact Bruce for inclusion on the Agenda.
